CUSTOM MANUFACTURING

In addition to our stock items, we offer custom manufacturing to eligible clients. Bring us a recipe or we can work with you to create a unique product just for your restaurant or food service establishment. Our facility is a highly-utilized SQF and USDA-certified 6,600 square foot space where we operate our production lines to meet the demands of our California customers.

100 CASE MINIMUM ORDER

With a custom manufacturing order, our minimum order quantity is 100 cases.

CUSTOMIZATION

Our entire product line is customizable, including xiao long bao, dumplings, potstickers, wontons, etc.

We offer full customization, down to the ingredients, including seasoning, dough texture, weight, thickness, protein grind size, etc.

ELIGIBILITY

A screening process is required for eligible for custom manufacturing/private label partnerships
